

Examination rules:

- 1) You have 2 hours and 30 minutes to complete the exam.
- 2) You may not use any resources other than a calculator, paper and pens/pencils, the exam paper, and the provided formula sheet.
- 3) You may not consult with anyone, in our class or outside of it, or share the questions and/or your answers with anyone while you are taking the exam.
- 4) Since there will be people in other time zones writing the exam after the designated exam time, you may not share questions/answers with anyone who has not written the exam, and you may not discuss the exam online before **noon on Tuesday, April 21**.

As one of the questions on the exam, I'll ask you to write out the following pledge and sign it.

**I pledge that I have read and followed the examination rules and that the answers on this test represent my own work and my own work only.**
